Language

- **Bengali - (Native).**
- **English – IELTS - 7.0.**
- **Finnish – Beginner.**

Certifications

- **CCNA.**
- **NSE4.**

Professional Summary

Passionate and committed Web Developer with hands-on experience in full-stack development (MERN stack), RESTful APIs, and Linux-based environments. Strong foundation in networking, system administration, and virtualization. Highly motivated to learn and explore emerging technologies, including AI, with a proven ability to deliver scalable, clean, and efficient solutions. Eager to contribute, adapt, and grow in dynamic development environments.

Technical Skills

- **Programming & Web Development**: JavaScript, HTML5, CSS3, Node.js, RESTful API Development, API Integration.
- **Frameworks & Libraries**: React, Next.js, Tailwind CSS.
- **Databases:** MongoDB.
- **Networking & Security:** Cisco Certified Network Associate (CCNA), Fortinet NSE 4 Network Security Professional, Firewall Configuration.
- **Systems & Infrastructure:** Linux Server Administration (Red Hat Enterprise Linux), Virtualization Technologies.

Work Experience

Web Developer Intern | Spark Traineeships | Present

- Built full-stack MERN applications (MongoDB, Express.js, React, Node.js) with RESTful APIs and CRUD functionalities.
- Implemented Firebase Authentication, React Hooks, and Context API for secure, efficient state management.
- Designed MongoDB schemas, integrated frontend-backend workflows, and followed scalable architecture best practices.
- Gained experience in full-stack development, API integration with ongoing AI exploration.

Engineer-Technical Services | ESL, Bangladesh | 6 FEB 2023 – 31 JUL 2024

- Configured VPN, SD-WAN, Static Routing, OSPF, DHCP, HA on FortiGate; supported Cisco → Palo Alto Networks migrations.
- Managed VMware ESXi, Ubiquiti UniFi networks, Active Directory, VLANs, Inter-VLAN routing, TCP/IP, NAT, PAT, Telnet, SSH.
- Performed Linux administration (Red Hat Enterprise Linux) and datacenter connectivity management.

Volunteer Experience

IT Volunteer | DILA (Lahden Diakonisäätiö) | October 2023 – Present

- Provide IT and digital support to organizational activities.

Education

- Vocational (Ammattiosaajien)– Salpaus, Lahti, Finland | Ongoing.
- Bachelor of Science in Electronic and Electrical Engineering (EEE) - American International University – Bangladesh (AIUB).
